Attn: BK Court of NV

Case # 24-50792

Please find enclosed my claim as a shareholder of MMAT shares. I hold two accounts: one with Charles Schwab in a Roth IRA and another directly registered with the transfer agent AST/Equiniti.

I urge the court to investigate or allow for the investigation of possible illegal activities, including naked short selling and counterfeiting of MMAT shares. Additionally, I request that potential illegal activities by the board of directors be examined.

Furthermore, I respectfully request that the court allow George Palakaris, the founder and former CEO who was forcefully removed, to provide information regarding any illegal activities that may have occurred following his removal.

These actions have been detrimental to the downfall of MMAT and have caused significant financial harm to all shareholders.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'MBrient', written in a cursive style.

Estimated Annual Income ("EAI") and Estimated Yield ("EY") calculations are for informational purposes only. The actual income and yield might be lower or higher than the estimated amounts. EY is based upon EAI and the current price of the security and will fluctuate. For certain types of securities, the calculations could include a return of principal or capital gains in which case EAI and EY would be overstated. EY and EAI are not promptly updated to reflect when an issuer has missed a regular payment or announced changes to future payments, in which case EAI and EY will continue to display at a prior rate.
